Welcome to **GymFit** at home!

This week we're focussing on our **core** whilst still getting the **heart rate** up. Repeat this circuit twice in the week.

Make sure to clear a safe space before you start.

Do a quick warm up before you begin the circuit. Here's an example you could use:

20 marches

20 slow arm circles

20 side leans

20 second jog on the spot

Do each exercise for **40 seconds**, then rest for **20 seconds** before moving on.

Complete all **5 exercises**, this is 1 circuit.

Repeat each circuit **4 times** before giving the weekly challenge a try.

Tweet us **@BritGymnastics** and use **#GymnastsAtHome** to show us your challenges!
